We are thrilled to introduce you to the latest innovation in the world of audio - the Savard Speakers SQ 3" coaxial speaker. Get ready to elevate your sound system to new heights and experience a level of audio quality like never before.

The SQ 3" Coax is a speaker that combines the power of a woofer and the precision of a tweeter, all in one compact and sleek design. With the Savard Speakers SQ 3" Coax, you can enjoy a simple and balanced output that will immediately take your sound system to top-level quality. No more struggling to find the perfect combination of components - this single speaker does it all.

Installation has never been easier. With just one component to take care of the job of two, you can upgrade your audio system with minimal effort. Say goodbye to complicated setups and hello to the perfect audio experience.

But it's not just about convenience - the Savard Speakers SQ delivers a warm and smooth sound output across a broad frequency bandwidth, including tweeter ranges. Every note, every beat, and every nuance of your favorite music will be brought to life with stunning clarity.

The compact design of the Savard Speakers SQ makes it ideal for any setup. Whether you have a small room or a large hall, these speakers will fit seamlessly into your space, without compromising on sound quality. And with their classic beautiful cosmetics, they will add a touch of elegance to your audio system.

But it's not just about the product - it's about the experience. We are dedicated to providing you with a great product experience, and that includes user-friendly features that make your life easier. And should you ever need assistance, our team is here to provide you with quality service and support.

Don't miss out on the opportunity to upgrade your audio system to the next level. Take action now and be among the first to experience the exceptional sound quality of the Savard Speakers SQ 3" coaxial.

		Optimum Performance & Safety		Operate with Caution at reduced amplifier gain	Operate with Caution at reduced amplifier gain Void Warranty (Clean power, avoid clipping)

The SQ 3" are comparable to other brands at double the price! Our focus is to incorporate design and materials which promote performance and enhance listening experiences at an affordable cost. At SAVARD we remove the "spin" and keep design simple in return to offer superior products at a fraction of the costs. The lightweight suspension design of the SQ 3" allows for increased transient response resulting in quick, clear, and efficient sound while maintaining a relatively flat line of output.

Recommended Accessories:

Surface Mount Pods: for those looking for sleek/hassle free mounting / listening experience.

Passive Crossovers: Options of 2-way or 3-way, if you are looking to wire your SQ components directly to a single channel, we offer passive crossovers for a plug and play experience. No matter the user experience level, SAVARD has a solution for you.
